Re: Recommendation for Donald Eaton

To Whom it May Concern:

In Spring 2022, I had the pleasure of meeting Donald Eaton, as he began his pursuit of the Associate in Applied Science in Paralegal at Greenville Technical College. I have had the Donald in several classes, including LEG 230 Legal Writing and LEG 262 Litigation Applications.

Since he began the program, Donald has maintained a full-load, consistently earning top grades. In addition to his excellent performance in all of his courses each semester, Donald was the 2022-2023 recipient of the Ann P. Armstrong, PLS Scholarship. This was a well-deserved award.

Donald's critical thinking and technical skills are evident. Oftentimes, a student excels in one *or* the other. However, Donald excels in *both*. Donald is capable of engaging in complex research and analysis. Then, he can tackle all things technical, even to the extent of understanding the programming side of the software.

Overall, Donald possesses the drive and ability to succeed as a Paralegal. He would thrive in a legal environment that would appreciate his work ethic, critical thinking and organizational skills, and technical expertise.

Accordingly, I wholeheartedly recommend Donald Eaton.

Please let me know if you have any questions or concerns.

Sincerely,
